The Bible Tells Us Jesus Is God's Prefect Gift To Us! "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life" (NIV). ~ John 3:16

We had a busy year, sometimes stressful year. Some things did not seem to work out for us, and then suddenly changed for the better. For a while it did not seem like we could get our crop harvested so prayed we could, and it was like God gave us an Indian Summer in November! We are thankful for the

Lord who provides for our family and for many of God's Blessings! We Wish our Family and Friends A Blessed Christmas and Happy New Year Too!

A decorative border at the bottom of the card featuring several large, brown pine cones and green pine branches. There are also some white snowflake-like decorations scattered throughout the scene.
