

Merry Christmas!

The Bible Tells Us Jesus Is God's Perfect Gift To Us! "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life" (NIV). ~ John 3:16

We hope each of you are doing well, and the Lord has been blessing you with good health and the ability to keep up with the bills. We feel like there will be lots more hope with the soon coming changes to our government! Things will get much better in the future for "We The People" who want God to bless the USA.

We have not retired yet. David is farming as usual, but planning to retire from raising any cattle during (Con't)

winter of 2025-26 We are down to 18 cows now. Crop was good, but haying was tough because the high humidity/rain, which was double of what it usually is in a year.

Linda is still doing websites, but she had decided not to replace a few clients who retired from cattle. She wants to work on family videos and video photo albums a little more. She has issues walking due to the back injury 8 years ago, arthritis and gout has not been helpful either. Prayers appreciated!

Dede does her daily chores, & loves coloring apps on the Android tablet. Favorite subjects are babies & animal babies. RFDTV Classic Tractor shows too! We all enjoy a outing now and then to see people we know, go to a movie, eat out. But this summer was so hot and smoky, we didn't take a little vacation.

Dede celebrated her 10th real birthday last February with friends and family at Pizza Ranch. And as

our gift, tickets to her favorite singer, Daniel O'Donnell! She LOVED That!!

God Bless, David, Linda, & Dede The Broken Arrow
